

Puzzle 10

Excerpt from the Secret Diary of Dave Savitt: Sunday, July 24, 2005

12:00:01 AM

period of time remaining: just one day. uh-oh. better have huge diversity of puzzles. (cryptogram in welsh?)

2:24:04 AM

some progress. slowly planting ideas; still primitive though.

4:23:08 AM

still chugging away. working climate has grown more stable.

5:35:01 AM

ideas definitely taking seed! maybe the hunt will be done on time after all.

9:52:06 AM

finally, a few puzzles are flying. in a bit of a state, going to step out for a breath of fresh air.

9:52:07 AM

who knew i'd been so oxygen-deprived in the office? feeling much better.

11:10:06 AM

everything's landing together now! so happy.

3:10:03 PM

no, wait. things are falling apart again.

5:33:04 PM

this sucks. we'll have to throw out most of my ideas before this ends.

12:00:01 AM (Monday)

epochal puzzle hunt at mathcamp 2005
